## **Town Board**

The meeting was called to order at 7:00 p.m.

Present: Randy Leiker, Andy Peters, Tom Becher and Mike Woods.

### **Planning for implementation of new address sign ordinance.**

Added section 5 where options can be given. There are three or four areas involved where they have requested the options. The Town Board will be responsible for the variance decision from the ordinance. We would allow them to put the signs up themselves or hire someone.

The cost is the same for everyone. If someone does not want the post, the cost is still the same. If an area is granted a variance and the cost is higher, they are responsible. Anyone wishing a variance will be given one week from this Friday to give us their design so we can meet and approve or deny it and order rest of the signs. Streets can be a defined area.

Installation – John Holtz will again install the signs with possibly a helper. Installation cost – the same as it was. Private drives – signs should all be in a row and the entrance so emergency personnel can see what is down there and also at the home. That would be two signs each and charge for just one. 300 8' posts will be ordered for where a longer post is needed. The rest will be 7'.

Andy Peters made a motion to approve the expenditure of not-to-exceed \$96,000 from undesignated surplus for address signs and installation to be reimbursed by cost per sign on 2011 tax bills. Tom Becher seconded the motion and it was carried.

### **Adjourn meeting.**

Tom Becher made a motion to adjourn the meeting. Mike Woods seconded the motion and it was carried and adjourned at 7:40 p.m.

Deborah Wagner,  
Town Clerk
